## Subscribe to Receive Leak Alerts and Access your Water Usage Information Online

- ▶ Control your water costs
- ▶ Receive high usage/leak alerts
- ▶ Save water & money
- ▶ Easy-to-use!

AquaHawk Alerting is a **FREE** service for CCRWC customers that will assist them in efficiently managing their water usage and lowering their monthly bills. Register today. It's easy!

After you register, you'll be able to:

### Receive timely alerts

You specify how you want to be contacted: e-mail, text or telephone. When your usage indicates high usage or a leak, we'll contact you. AquaHawk helps prevent costly property damage from unrepaired leaks and gives you peace of mind when you're away from your home.

### Monitor your water usage

See how much water you're using and an estimate of your bill anytime during the billing cycle.

### Manage water expenses

With Threshold Alerting, you specify an amount of money (\$) or water (gallons) you don't want to surpass each month. If your usage exceeds (or is trending to exceed) that value, we'll send you an alert.

### Learn ways to save

Get a better understanding of how you're using water by performing useful comparisons online. See how you compare to similar households. Learn effective ways to reduce water usage and save money!
